MUSTANG UNIT

All Nobles,

We are very excited to have the opportunity to bring back the former "Desert Riders" Mustang's. It has taken a lot of work to get a few of the cars back into good running order over the past winter. Our group is looking forward to participating and parading with everyone in the coming 2017 season. If anyone is interested in getting some information on joining, please contact our director Don Brockman @[513-518-8201](tel:513-518-8201), or the Assistant Director Jeremy Chaney @[513-967-5459](tel:513-967-5459). The plan is for us to meet the second Wednesday of every month. Also, it has been a struggle to find parts for these cars due to the age of the cars. We are trying to reach out to anyone who used to be in the unit that may have some old parts laying around they would like to give back to the unit. Again we are excited to participate and grow this Mustang's unit throughout the 2016 season, and welcome anyone who is interested in joining.

Thank You,

Mustangs
